

Midterm

Lyle Ungar
University of Pennsylvania

Midterm

- **Like previous year's midterm on the course wiki**
 - Multiple choice – *but a little harder to “look up”*
 - Open book - *but I suggest making a “cheat sheet”*
 - Slightly different course material each year
- **Designed to take 80 minutes**
 - You can pick any 3 hour period (no breaks) over the 24 hours starting 10:30 am ET on Wed Oct 14
 - We will man piazza to answer *private* posts with questions
 - ◆ 10:30 am-12:30 pm and 10:30 pm -12:30 am
- **Administered on canvas or gradescope (TBD)**

Midterm

◆ Covers through this week

- Boosting and SVMs, but not online learning

Studying

- ◆ **You are working 17 +/- 10 hours/week**
 - HW2 was the worst; now manageable
- ◆ **Lectures/wiki/quiz: concepts**
 - Worksheets: sklearn/pytorch mechanics
- ◆ **Understand previous midterms**
- ◆ **Study groups good!**
 - Make up and answer quiz questions!
- ◆ **Please do the quizzes and surveys**
 - participation grade!
